Workshop materials

OPTION 1

bit.ly/shiny-cloud-sdss

log in and sit tight

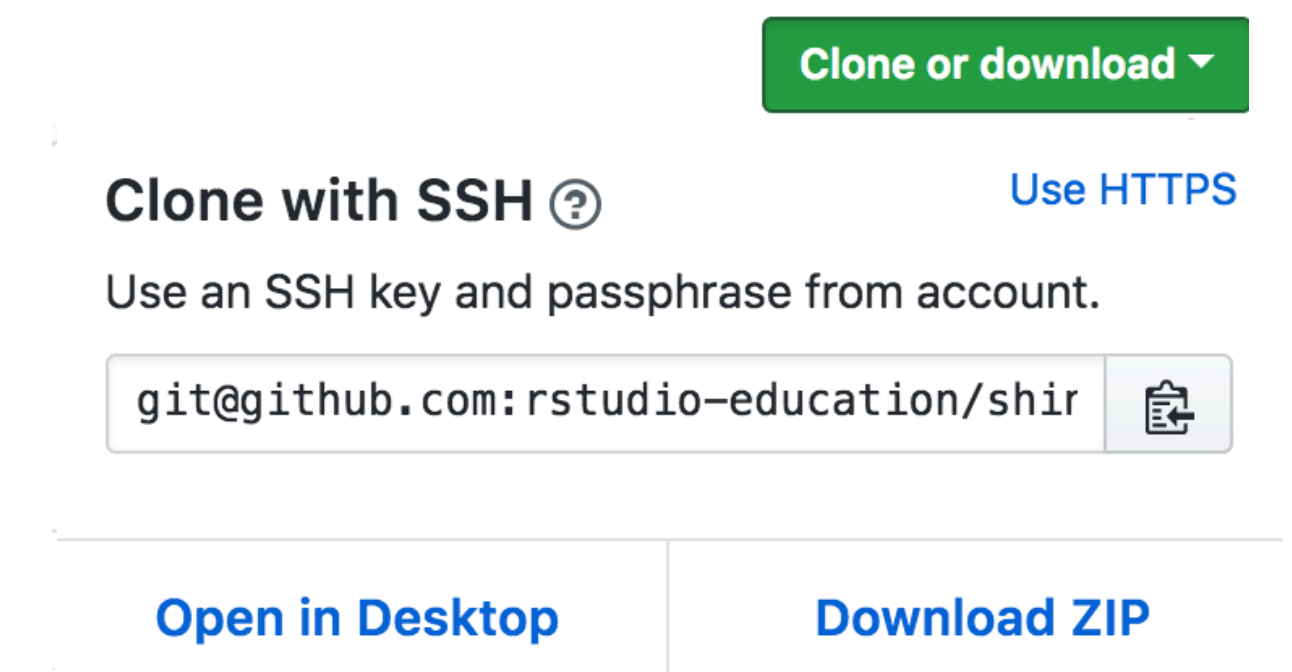

OPTION 2

bit.ly/shiny-repo-sdss

1. clone or download

2. launch shiny-sdss18.Rproj

Meet & greet

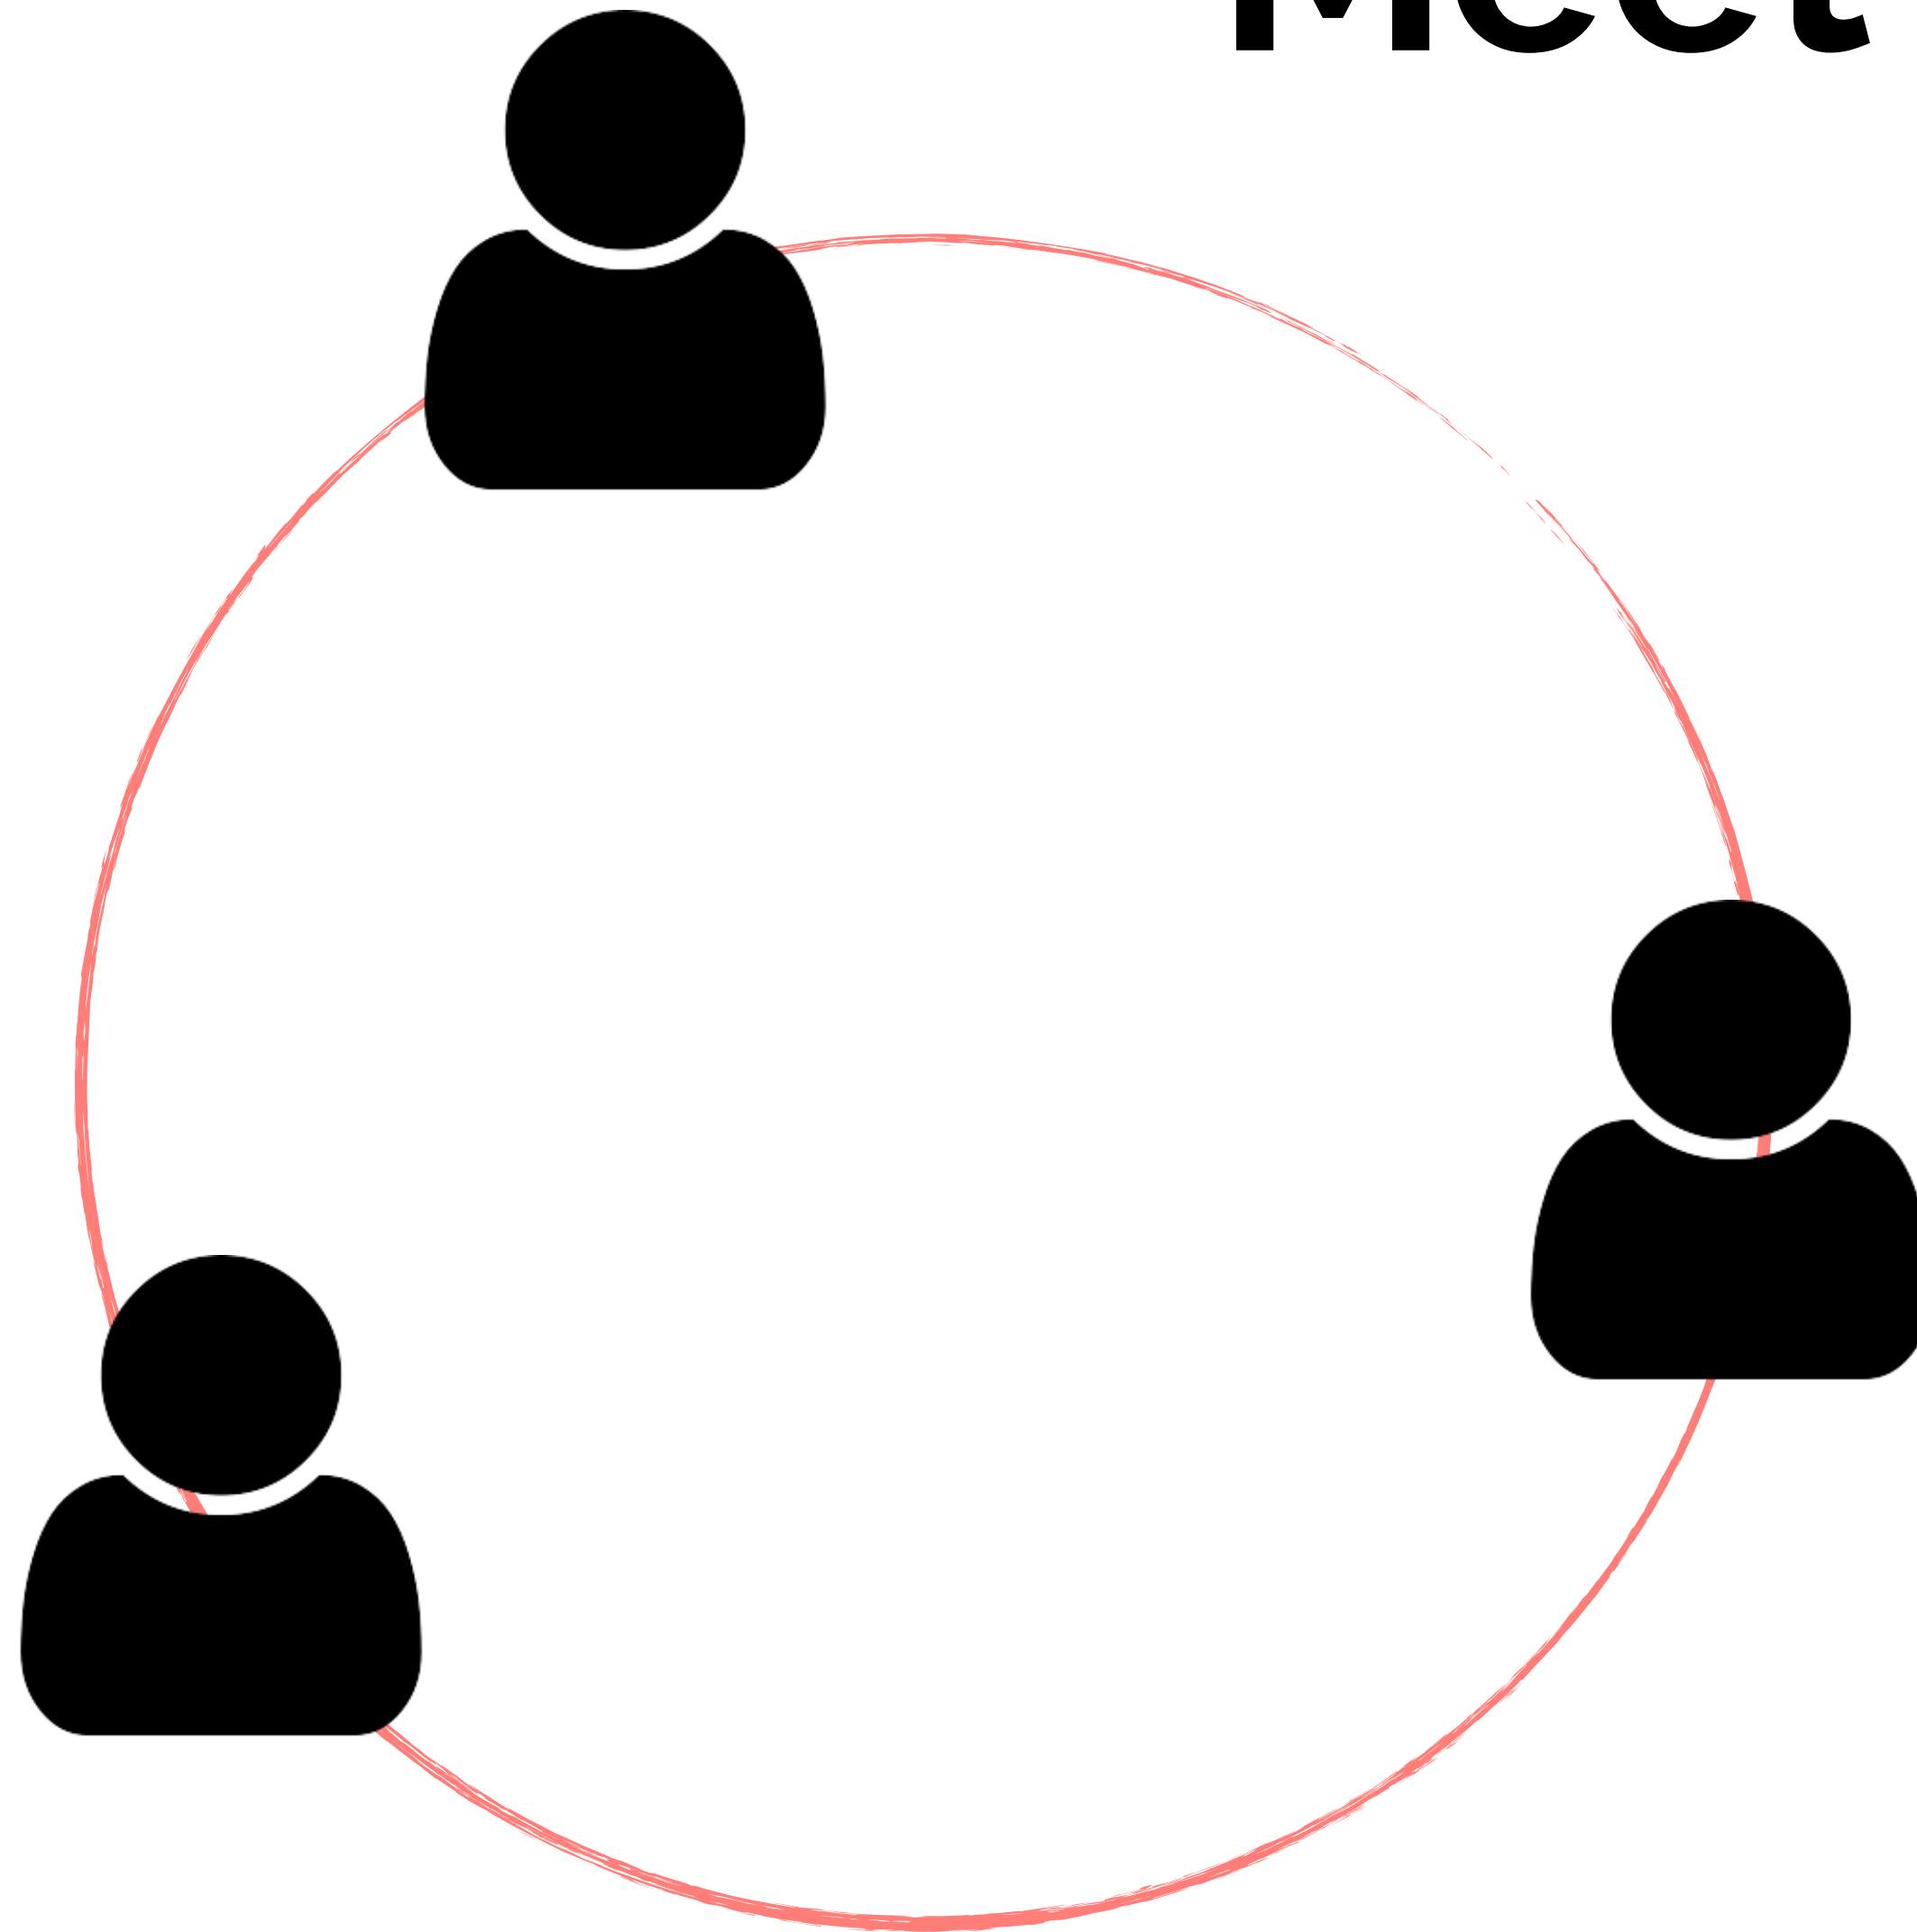

Mine Çetinkaya-Rundel

Associate Professor of the Practice
+ Director of Undergraduate Studies, Duke Statistical Science

Professional Educator & Data Scientist, RStudio

Meet & greet

Asking for help

Overview

- 01 - Getting started with Shiny
- 02 - Understanding reactivity
- 03 - Designing UI
- 04 - Dashboards
- Lots of info!
- Lots of “your turn” breaks
